

Bob Marley - Adam and Eve

Tom: D

Intro: D G A D

D G A D

The lord named Adam and Eve,
to live a happy life.
In the garden of Eden,
but they disobeyed.

I wanna know,
why they sin,

in the garden of Eden.

It`s a devil mental affair,
in the shape of a serpent.

And they broke the fruit of life
and everyone of us is living in sin.

Any anywhere you go,
woman is the root of all evil.

He was the first one to break a fruit
and everyone of us is living in sin.

(Por fim, tudo de novo)
