

Bob Marley - Babylon By Bus

Tom: A

From: Kevin Gardner

chord transcriptions and arrangement by kevin gardner

Notes

This album recorded durring the Wailers 1978 world tour features the guitar sytlings of three great guitarists, On one hand this album is filled with difficult bass/guitar riff sycopation that almost defies transcription. On the other hand the general chord progression of many of the songs are quite simple. What follows are the chords played by Bob throughout the songs. Some songs only have one or two guitar chords, however due to the sycopated riffs of the lead guitars the songs stay musically interesting.

Positive Vibration

```

Intro: A Gbm 4x
chorus A Gbm 4x
verse Gbm Bm Gbm
      D Em 4 4x
      Gbm
chorus A Gbm 4x
verse (silent for the first part)
      Gbm Bm Gbm
      D Em 4 4x
      Gbm
  
```

Punky Reggae Party

```

Intro: Bm
verse Bm
chorus (take a joyful sound)
