

Bob Marley - Concrete Jungle

Tom: C

(Façam esses acordes em formato de Dm e D, fica mais semelhante a melodia)

Intro: Em Gb F (4x)

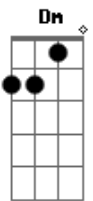

No sun will shine in may day today (no sun will shine)
 The high yellow moon won't come out to play, I said,
 Darkness has covered my life
 And has changed my day into night yeah
 Where is this love to be found
 Won't someone tell me cause the light (sweet light)
 Must be somewhere to be found
 Instead of a concrete jungle Where the living' is hardest
 Concrete jungle, Man you've got to do your best yeah
 No chains around my feet
 But I'm not free (i'm not free)

I know I am bound here In captivity
 I've never known happiness
 I've never known sweet caresses
 Still I be always laughing, like a clown
 Won't some-one tell me cause the light
 I got to pick myself from off the ground ye-yeah
 Is this here concrete jungle
 I say, what do you got for me now?
 concrete jungle, why won't you let me be now?
 Base durante o solo :
 I said life must be somewhere to be found, yeah
 Instead of a concrete jungle, illusion, confusion
 Concrete jungle, yeah
 Concrete jungle, you name it, we got it in, concrete jungle now
