Someone told me I could find her here,

but it seems she dissappear.

G Em  
I've been searching the whole darn day,  
C G  
Night is drawing nigh,  
G Em  
I think I'd better go home,  
C - D G  
Try again.

G Em  
When I reach that railroad station  
C G G7  
I missed the last train, and then it  
C G C G  
Seems like dewdrops gonna fall on me. Yes, it  
C G C - D G  
seems like tear drops gonna call on me, now.

G Em  
Said I'd better make up my mind,

G Em  
Am I gonna rest up here  
C D G  
Or am I gonna push on through?

G Em  
My mind said hey man you hit the road!  
C G  
Down there I missed the track, track, track,  
G Em C D G  
G7  
I'm lost! Lord I'm lost yeah, love is such a heavy load, and then,

C G  
For crying out loud, come back to me,  
C G  
For crying out loud, hear my plea,  
C G Em  
For crying out loud, come back to me-  
G Em  
Why do you treat me so bad,  
C D G  
Why do you treat me so bad?
