

Bob Marley - Ride Natty Ride

Tom: A

(A Gbm D E)

Dready got a job to do
 And he's got to fulfill that mission
 To see his hurt is their
 Greatest ambition
 But we will survive
 In this world of competition
 'Cause no matter what they do
 Natty keep on coming thru
 And no matter what they say
 Natty de deh every day

(A Gbm D E)

Natty dread rides again
 Thru the mystics of tomorrow
 Natty dread rides again
 Having no fear, having no sorrow

A E A
 All and all you can see a gwan
 A E A
 Is to fight against the Rastaman
 A E A
 So they build their world
 In great confusion Gbm
 A
 To force us in the devil's illusion
 A E A
 But the stone that the builder refuse
 A E A
 Shall be the head cornerstone
 A E A
 And no matter what games they play
 A Gbm
 There is something they could
 Never take away
 A Gbm
 Something they could never take away
 Gbm Gbm
 And it's the fire, it's the fire, fire
 D A
 Burning down everything
 Gbm Gbm
 Feel the fire, fire, the fire, the fire
 D A

Only the birds have wings
 A D A
 No time to be deceived
 A D A
 You should know and not believe
 A D
 Jah says this judgment Gbm
 Could never be with water D Gbm
 So no water could put out this fire
 This this fire, this this fire
 (então repete desde o começo)
 This this fire Ride Natty Ride
 Go deh Dready, go deh Dready, go deh

Now the fire is burning
 Out of control panic in the city
 Wicked weeping for their gold
 Everywhere the fire is burning
 Destroying and melting their gold
 Destroying and wasting their souls

Ride Natty Ride
 Go deh Dready, go deh Dready
 Go deh Dready, go deh

Now the people gather on the beach
 And the leader try to make a speech
 But dread again tell them it's too late
 Fire is burning
 Man pull your own weight
 Fire is burning
 Man pull your own weight

Natty dread rides again
 Go deh Dready, go deh Dready go deh
 Oh Ride Natty Ride
 Natty dread rides again
 Go deh Dready, go deh, go deh Dready go deh
 Riding thru the storm
 And we're riding thru the calm
 Go deh, go deh
 We riding thru the thick
 We riding thru the thin
 Ride Natty, Ride Natty

Acordes
