

Bob Marley - Ride Natty Ride

Tom: A

(A Gbm D E)

Dready got a job to do
 And he's got to fulfill that mission
 To see his hurt is their
 Greatest ambition
 But we will survive
 In this world of competition
 'Cause no matter what they do
 Natty keep on coming thru
 And no matter what they say
 Natty de deh every day

(A Gbm D E)

Natty dread rides again
 Thru the mystics of tomorrow
 Natty dread rides again
 Having no fear, having no sorrow

A E A

All and all you can see a gwan

A E A

Is to fight against the Rastaman

A E A

So they build their world

In great confusion

A Gbm

To force us in the devil's illusion

A E A

But the stone that the builder refuse

A E A

Shall be the head cornerstone

A E A

And no matter what games they play

A Gbm

There is something they could

Never take away

A Gbm

Something they could never take away

Gbm Gbm

And it's the fire, it's the fire, fire

D A

Burning down everything

Gbm Gbm

Feel the fire, fire, the fire, the fire

D A

Only the birds have wings

A D A

No time to be deceived

A D A

You should know and not believe

A D

Jah says this judgment

Could never be with water Gbm

D

So no water could put out this fire Gbm

This this fire, this this fire

(então repete desde o começo)

This this fire Ride Natty Ride

Go deh Dready, go deh Dready, go deh

Now the fire is burning

Out of control panic in the city

Wicked weeping for their gold

Everywhere the fire is burning

Destroying and melting their gold

Destroying and wasting their souls

Ride Natty Ride

Go deh Dready, go deh Dready

Go deh Dready, go deh

Now the people gather on the beach

And the leader try to make a speech

But dread again tell them it's too late

Fire is burning

Man pull your own weight

Fire is burning

Man pull your own weight

Natty dread rides again

Go deh Dready, go deh Dready go deh

Oh Ride Natty Ride

Natty dread rides again

Go deh Dready, go deh, go deh Dready go deh

Riding thru the storm

And we're riding thru the calm

Go deh, go deh

We riding thru the thick

We riding thru the thin

Ride Natty, Ride Natty
