

Bob Marley - So Much Trouble In The World

Tom: C One more time ye-a-h! ye-ah!

(refrão) Am Dm Em

So much trouble in the world (2x)

(Am Dm)

Bless my eyes this morning
 Jah sun is on the rise once again
 The way earthly things are going
 Anything can happen

(Am Dm Em)

You see men sailing on their ego trips
 Blast off on their spaceships
 Million miles from reality
 No care for you, no care for me

So much trouble in the world (2x)

Dm Am
 All you've got to do is give a little

Dm
 Give a little, give a little

Em

(F G)

So you think you have found the solution
 But it's just another illusion
 So before you check out your tide
 Don't leave another cornerstone standing there behind

(Am Dm Em)

We have got to face the day, ooh we come what may
 We the street people talking, we the people struggling

Now they are sitting on a time bomb
 Now I now the time has come
 What goes up must come down
 Goes around comes around
 So much trouble in the world
 So much trouble in the world
 So much trouble in the world
 There is so much trouble, there is so much trouble
 There is so much trouble
 There is so much trouble in the world
 There is so much trouble in the world
