 Until the philosophy which holds one race

 superior, and another inferior,
 Am G7 Am G7 Am G7 Am
 is finally and permanently discredited and abandoned,
 G7 Am G7 Am
 everywhere is war. Is uh war.
 G7 Am G7 Am
 That until there are no longer first class

 and second class citizens of any nation,
 Am G7 Am G7
 until the color of a man's skin is of no more significance

 than the color of his eyes, Is uh war.
 Am G7 Am G7
 That until the basic human rights are equally guaranteed to
 all
 Am
 without regard to race, there is a war.
 G7 Am G7 Am G7
 That until that day the dreams of lasting peace,
 Am G7 Am G7 Am
 world citizenship, and the rule of international morality
 Am G7
 will remain in but a fleeting illusion,
 Am G7 Am
 o be pursued, but never attained.
 G7 Am G7 Am
 No, everywhere is war. War.
 G7 Am G7 Am
 And until the ignoble and unhappy regime that now holds
 G7 Am G7 Am G7
 our brothers in Angola, in Mozambique
 Am G7 Am G7
 South Africa. Sub-human bondage
 Am G7 Am
 have been toppled, utterly destroyed.
 G7 Am G7 Am
 Well, everywhere is war. Is uh war.
 G7 Am G7 Am G7
 War in the east. War in the west.
 Am G7 Am G7
 War up north. War down south.
 Am G7 Am G7
 War, war. Rumors of a war.
 G7 Am G7 Am G7
 G7

And until that day the African continent will not
 know peace.
 G7 Am G7
 We Africans will fight.
 G7 Am G7
 We find it necessary,
 and we know we shall win.
 Am G7 Am G7 Am
 As we are confident in the victory of good over evil.
 G7 Am G7 Am
 Good over evil. Good over evil.

Bm A (até o fim....)

Until the philosophy which holds one race
 Superior and another inferior
 Is finally and permanently discredited and abandoned
 Everywhere is war, me say war

That until there is no longer first class
 And second class citizens of any nation
 Until the colour of a man's skin
 Is of no more significance than the colour of his eyes
 G7 Me say war

That until the basic human rights are equally
 Guaranteed to all, without regard to race
 Dis a war

That until that day
 The dream of lasting peace, world citizenship
 Rule of international morality
 Will remain in but a fleeting illusion
 To be pursued, but never attained
 Now everywhere is war, war

And until the ignoble and unhappy regimes
 That hold our brothers in Angola, in Mozambique,
 South Africa sub-human bondage
 Have been toppled, utterly destroyed
 Well, everywhere is war, me say war

War in the east, war in the west
 War up north, war down south
 War, war, rumours of war

And until that day, the African continent
 Will not know peace, we Africans will fight
 We find it necessary and we know we shall win
 As we are confident in the victory

Of good over evil, good over evil, good over evil
 Good over evil, good over evil, good over evil
