## **Bob Shut - Falling On The Grass**

```
Tom: G
                                                                             Α
                                                              Well, the sun is going down
Intro: B B B
       A E E
B E
                                                                         Α
                                                              And when people of the town
                                                                           Е
                                                              Have nothing more to find
You know that kind of smile
                                                                           Е
                                                              And nothing to hide
                F
Who says: It's gonna be allright
                                                                           В
                                                                                      F
                                                              There will be a shining light??Inside
               В
You have to open your heart
                                                                          Α
                                                              You can buy another car
             Е
To see the true
                                                               You can build another soul
              Α
It isn?t in your mind
                                                                           Dbm
                                                               Jump into the fire
It isn?t on tv
                                                                                Dbm
                                                              And see there's something wrong
                     B B B
It's in the bottom of my soul
                    Е
                                                              Gb
                                                                      A B
But you still don?t believe
                                                              Outside
[Refrão]
                                                               [Refrão]
                                                              I?m falling on the grass
I?m falling on the grass
                  F
I don?t worry by the way
                                                              I don?t worry by the way
                        B B B
                                                                                       B B B
I?m sick of all this lies
                                                              I?m sick of all this lies
                   Е
                                                                                                F
Cause yes I?m falling on the grass
                                                              Cause yes I?m falling on the grass

                                                                                      Α
I?m falling on the grass
                                                              I?m falling on the grass
                                                                                      Dbm
                 Dbm
I don?t worry by the way Gb A
                                                               I don?t worry by the way
                                                                                       Gb A
I?m sick of all this lies
                                                              I?m sick of all this lies
                                                                                                                    E A
                                 Е
                                                              Cause yes I?m falling on?.yes I?m falling on?. the grass
Cause yes I?m falling on the grass
                                                               A E A E
                                                              On the grass
