

Bob Sinclar - Rainbow Of Love

Tom: A

Intro: .: D A E (2x)

 Your clear eye
 A E
 Is the most beautiful thing
 D
 Like sunrise
 A E
 Over the sea

And when you smile with the day
Your eyes are the warmest thing
You shed yesterday's skin
And a new day begins

So even when clear skies
Seem so far away
Why go chasing rainbows
Rainbows from your door

Cause even all the clear skies
 Won't bring back yesterday
 So why go chasing rainbows
 Rainbows from your door

D A E

Those who have seen
Seen the phoenix rise
Say even from the pyre
The dawn can still be beautiful

The sound of your sunrise

Carries on the four winds

You shed yesterday's skin
And a new day begins

So even when clear skies
A E D
Seem so far away
D A
Why go chasing rainbows
E
Rainbows from your door

Cause even all the clear skies

Won't bring back yesterday
