^D
Your clear eye
^A ^E
Is the most beautiful thing
^D
Like sunrise
^A ^E
Over the sea

^D
And when you smile with the day
^A ^E
Your eyes are the warmest thing
^D
You shed yesterday's skin
^A ^E
And a new day begins

^D
So even when clear skies
^A ^E
Seem so far away
^D ^A
Why go chasing rainbows
^E
Rainbows from your door

^D ^A
Cause even all the clear skies
^E
Won't bring back yesterday
^D ^A
So why go chasing rainbows
^E
Rainbows from your door

D A E

^D ^A
Those who have seen
^E
Seen the phoenix rise
^D ^A
Say even from the pyre
^E
The dawn can still be beautiful

^D
The sound of your sunrise
^A ^E

Carries on the four winds
^D
You shed yesterday's skin
^A ^E
And a new day begins

^D
So even when clear skies
^A ^E
Seem so far away
^D ^A
Why go chasing rainbows
^E
Rainbows from your door
^D ^A
Cause even all the clear skies

^E
Won't bring back yesterday
^D ^A
So why go chasing rainbows
^E
Rainbows from your door

From a place long gone

What we need for what we want

When it's time to move on move on...

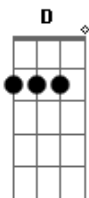

^D
So even when clear skies
^A ^E
Seem so far away
^D ^A
Why go chasing rainbows

Rainbows from your door
^D ^A
Cause even all the clear skies

Won't bring back yesterday
