

## **Bobby Darin - Change**

```
Tom: C
                                                                Moving you own nothing wythout it
   Intro: Am F G Em F Am C G F C Dm
                                                                 Don't let, your life just slip away all you've got to say
                 Em
                       Am D7 Em
Change,
               it's time for change
                                                                       D7
                                                                                  Em
                                                                                        Am D7 Em
                                                                 \mathsf{Am}
                Em
                       Am D7 Em Am
                                                                 Change, it's time for change
                                                                                        Am D7 Em
Change, nothing stays the same
                                                                       D7
                                                                                 Em
                                                                 Change, nothing stays the same
Something new is happening in the ages
                                                                           Am \ F \ G \ Em \ F \ Am \ C \ G \ F \ C \ Dm 
                                                                 Change
Just for you, but you can't get lazy
                                                                                                                      C
                                                                 Am
                                                  F C
                                                         Dm Am
                                                                Determination will keep you strong
All you do is just make up your mind each time
                                                                 Dedication keeps you moving right or wrong
The key to life is your attitude
                                                                                                                          F C Dm
Make sure you're doing what you wanna do
                                                                 Any time, if you're made up your mind
                                                                                                                                C
And watch it grow on, on right before your eyes
                                                                 Communicate every day you're living
Education don't forget it, 'cause if you do you will regret it Appreciate the life that God has given
Technology has gone strong mad if you miss this, that's tough,
                                                                You're gonna find all thing come true in time
                                                                 Make up your mind for change it's time for change
Body talks, no doubt about it get
