

Bobby Darin - Silver Dollar

```
Tom: G
  Intro.: C D7 G
                                                     D7
A woman, a woman, that's a woman
                 E7
A woman, a woman, a woman, that's a woman
You can throw a silver dollar down to the ground
                Α7
And it will
                roll because it's round
     woman never knows what a good man she's got until
      turns him
       listen to me my honey
So
                 Α7
                 want you to understand,
Listen to me I
       a silver dollar goes from
That
                                   hand to
                                               hand, a
woman
