

Bojack Horseman - Don't Stop Dancing (Reprise)

tom:

G

Gbm **E** **Dbm**

Life is a never-ending show, old sport

Gbm **E7**

Except the minor detail that it ends

Gbm **B** **Abm**

The overture's a lifetime, but the show is short

Gbm **D7** **Ab7**

Here with all your family and friends

A

You run the race, you blurt your lines

Am

They put your face on shirts and shrines

E **Bb**

And giant signs a thousand feel tall

E

And don't stop dancing

Db

Don't stop dancing

B **E**

'til the curtain call

Gbm **B** **E** **Dbm**

Shows are a never-ending life, of course

Gbm **B7** **E**

A silhouette that stays when you are gone

Gbm **B** **E** **Abm**

What use is the struggle and the strife, old horse?

Gbm **A7** **Db7**

End it and your legacy lives on

A

The chatter stops, the crowd departs

Am

A needle drops, the music starts

E **Bbm**

A song you taught me when I was small

Db

Don't stop dancing

Don't stop dancing
