

Bola de Neve Itaboraí - Manifestar o Fogo

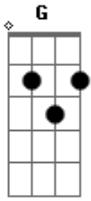

tom:

Intro: Em D C G

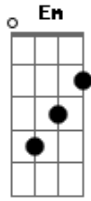

Eu quero produzir o fogo
 Botar a lenha pra queimar
 Vem me consumir de novo
 Nós levantamos um altar

Eu vou, vou manifestar o fogo
 Que o Senhor já colocou dentro de mim
 Sou um sacrifício vivo, me consume por inteiro
 Onde eu estiver, o fogo vai queimar
 Tudo vai consumir, tudo purificar
 Onde eu estiver, o fogo vai queimar
 Nós vamos produzir para manifestar
