

Bola de Neve - Cidadão Dos Céus

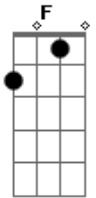

Tom: F
Intro: F Gm Am

Quando eu oro e adoro
O senhor luta por mim
E me dá a vitória e eu te dou toda a glória
Sou cidadão dos céus e tabernáculo na terra
(Am)
Me preparo pra te encontrar quero me santificar

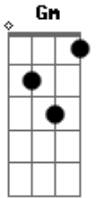

Derrama mais do teu amor
Derrama mais do teu poder

Sem a tua presença eu nada posso fazer
No teu reino de amor
Não há lugar para o orgulho
Só o sol da justiça é que brilha no teu resplendor
As grandes ondas dos mares refletem o teu poder
O sol no horizonte exalta tua majestade
Toda terra esta cheia da tua gloria
(Am)
E eu desejo ver tua gloria em meu viver
