F F  
Someday my pain, someday my pain

And walk through

With the wild wolves around you

In the morning, I'll call you  
Bb Dm C  
Send it farther on

F F  
Solace my game, solace my game

It stars you

Swing wide your crane, swing wide your crane

And run me through

And the story's all over you  
Bb Dm C  
In the morning I'll call you  
Bb Dm C  
Can't you find a clue  
Bb Dm C  
When your eyes are all painted Sinatra blue

Don't bother me
