

# Bon Jovi - 99 In The Shade

Tom: C  
Intro: Bb C Bb C

VERSE:

I feel I'm burning up with fever But the fire's feeling really good tonight

And it's alright I'm gonna see Sahara Jack and Suntan Sally

Somebody tells me even Tommy's coming down tonight

If Gina says it's alright

PREChorus:

I'm gonna see those Senoritas Lying under the sun

They're greasing it up With know I want to be their blanket

(G-G#-A-Bb )  
Gonna tell every girl Hey, baby... You're the one...

Oh tell the boys I'm on my way

I got the radio blasting in my old man's Chevrolet

I got a party in my pocket cause you know I just got paid

And I'm feeling fine, it's 99 in the shade

I'm feeling fine, it's 99 in the shade

VERSE:

When the sun goes down that's when the street heats up  
Senorita Margarita fills your empty cup tonight ?

She make you feel alright

A good time here don't cost much money  
Just a little sweet talking and a pretty native honey

And you're set for life

Or one hell of a night

PREChorus:

I'm gonna see those sons of beaches  
Out there living it up the surf And the sand,

Man that life ain't so tough So get me in the action so I can tell

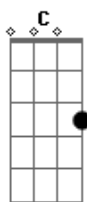

Every girl she's the one

Chorus
