Looking at the pages of my life

Faded memories of me and you

Mistakes you know I've made a few

Ask me how we've come this far

The answer's written in my eyes

G Bm
Every time I look at you, baby, I see something new
C Cm (53 55 56 58)
That takes me higher than before and makes me want you more

I don't wanna sleep tonight, dreamin's just a waste of time

and all the things I didn't do
