Verse 1: (Keyboard part played over the top)  
-----

A E  
Sitting here wasted and wounded with this old piano.  
A E  
Trying hard to capture the moment, this morning I don't know.  
Abm A E  
'cause a bottle of vodka still lies in my head and some blonde  
gave me nightmares, I think that she's still in my bed.  
A B E  
As I dream about movies they won't make of me when I'm dead.  
A E  
With an iron-clad fist I wake up to french-kiss the morning.  
A

E  
While a marching band keeps it's own beat in my head while  
we're talking  
Abm A E  
about all of the things I longed to believe, about love, the  
truth,  
A  
what you mean to me and the truth is...  
A B (rhythm fig #1)  
Baby you're all that I need.

Chorus:  
-----  
Dbm B A E (rhythm fig #3)  
I wanna lay you down in a bed of roses.  
Dbm B A E (rhythm fig #2)  
Tonight I sleep on a bed of nails.  
A E A E  
I wanna be just as close as the Holy Ghost is.

Verse #2:

A E  
Well I'm so far away, each step that I take's on my way home.

A E  
A king's ransom in dimes I'd give each night to see through  
this payphone.

Abm A  
Still I'd run out of time or it's hard to get through till the  
bird on the wire

A  
flies me back to you. I'll just close my eyes.

A B E  
And whisper "baby it probably is true".

Bridge:  
-----

A B  
The hotel bars hangover whiskey's gone dry.  
E  
The bartender's wig's crooked, she's giving me the eye.  
A B E  
I might've said yes, but I laughed so hard I think I died.

Verse 3:  
-----

A E  
Now as you close your eyes you know I'll be thinking about  
you.  
A E  
My mistress she calls me to stand in her spotlight again.  
A E  
I won't be alone, you know that don't mean I'm not lonely.  
Dbm B A E  
I've got nothing to prove, for its you I'd die to defend.
