Verse 1: (Keyboard part played over the top)

Sitting here wasted and wounded with this old piano.
 Trying hard to capture the moment, this morning I don't know.
 'cause a bottle of vodka still lies in my head and some blonde
 gave me nightmares, I think that she's still in my bed.
 As I dream about movies they won't make of me when I'm dead.
 With an iron-clad fist I wake up to french-kiss the morning.
 While a marching band keeps it's own beat in my head while
 we're talking
 about all of the things I longed to believe, about love, the
 truth,
 what you mean to me and the truth is...
 Baby you're all that I need.

Chorus:

I wanna lay you down in a bed of roses.
 Tonight I sleep on a bed of nails.
 I wanna be just as close as the Holy Ghost is.

Lay you down, on a bed of roses.

Verse #2:

Well I'm so far away, each step that I take's on my way home.
 A king's ransom in dimes I'd give each night to see through
 this payphone.
 Still I'd run out of time or it's hard to get through till the
 bird on the wire
 flies me back to you. I'll just close my eyes.
 And whisper "baby it probably is true".

Bridge:

The hotel bars hangover whiskey's gone dry.
 The bartender's wig's crooked, she's giving me the eye.
 I might've said yes, but I laughed so hard I think I died.
 (rhythmfing.#1)

Solo:

rake

Verse 3:

Now as you close your eyes you know I'll be thinking about
 you.
 My mistress she calls me to stand in her spotlight again.
 I won't be alone, you know that don't mean I'm not lonely.
 I've got nothing to prove, for its you I'd die to defend.

Acordes

Ukulele chord diagrams for E, A, Abm, B, and Dbm. Each diagram shows the fretboard with dots indicating finger positions. The Dbm diagram includes a 'b' symbol on the first string.
