

Bon Jovi - Every beat of my heart

Tom: C

(Intro)

C F C
C F C

(Verse)

As a hard rain beats down in the night it sounds like applause

Still I can't hear a sound with the beat of my heart

I can't pick up that phone anymore and I need to confess

If I don't say 'I love you' everything else is a waste of my breathe

(Chorus)

Every beat of my heart I would give

Every beat of my heart just to live

To live for your love, if all that I want

Is to die in your arms

I'd give you every beat of my heart

(VERSE)

As I whisper your name I wish you were here by my side

And the only way that I find you is when I close my eyes

With my ring on your finger I hope and I pray

That you know deep in your soul with every step that you take

(Chorus)

Every beat of my heart I would give

Every beat of my heart just to live

To live for your love, if all that I want

Is to die in your arms

I'd give you every beat of my heart

((BRIGIDE))

It's the little things that you do that make me want you more

It's the way your hands are trembling but what they trembling for?

It's the way the smile fits on your lips

The way you hold me tight

God knows I'd give everything to be in your arms tonight

(Chorus)

I live for your love, it's all that I want

Is to die in your arms

I'd give you every beat of my heart

Just to live

Every beat of my heart, just to live

I live for your love, it's all that I want

To die in your arms

I'd give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart
