

Bon Jovi - Happy Now

Tom: G

What would you say to me
 If I told you I had a dream
 If I told you everything
 Would you tell me to go back to sleep

Take a look in these tired eyes
 They're coming back to life
 I know I can change, got hope in my veins
 I tell you I ain't going back to the pain

Can I be happy now?
 Can I let my breath out
 Let me believe I'm building a dream
 Don't try to drag me down

I just wanna scream out loud
 Can I be happy now?
 Went down on my knees I learned how to bleed
 I'm turning my world around

Can I be happy now
 Can I break free somehow
 I just wanna live again, Love again
 Take my pride off off of the ground

I'm ready to pick a fight
 Crawl out of the dark to shine a light
 I ain't throwing stones, got sins of my own

[...] everybody just trying to find their way home

Can I be happy now?
 Can I let my breath out
 Let me believe, I'm building a dream
 Don't try to drag me down
 I just wanna scream out loud

Can I be happy now?
 Went down on my knees, I learned how to bleed
 I'm turning my world around

You're born and you die, and it's gone in a minute
 I ain't looking back, 'cause I don't wanna miss it
 You better live now
 Cause noone's gonna get out alive - alive
 (short solo)

Can I be happy now?
 Can I let my breath out
 Let me believe I'm building a dream
 Don't try to drag me down
 I just wanna scream out loud
 Can I be happy now?
 Went down on my knees I learned how to bleed
 I'm turning my world around
 Can I be happy now (oohoohooh)
 I'm turning my world around
 Can I be happy now?
