Intro: Eb Ab Fm Ab Bb Eb

A penny for your thoughts now baby
Looks like the weight of the world's on your shoulders now
I know you think you're going crazy
Just when it seems everything's gonna work itself out
They drive you right back down
They say it ain't fair that a man walks, when a bird can fly
We have to kick the ground, the stars kiss the sky
They say that spirits live, a man has to die
They promised us truth, now they're giving us lies

Chorus:
Gonna take a miracle to save us this time
And your savior has just left town
Gonna need a miracle 'cause it's all on the line
And I won't let you down (No I won't let you down)
The river of your hope is flooding
And I know the dam is busting
If you need me I'll come running
I won't let you down... no, no

You're looking for salvation
You thought that it'd be shining like an angel's light
Well, the angels left this nation
And salvation caught the last train out tonight
He lost one hell of a fight
He said "I'm just one man, that's all I'll ever be
I never can be everything you wanted from me

I've got plans so big that any blind man could see
I'm standing in the river now I'm drowning in the sea"
Chorus:
Gonna take a miracle to save us this time
And your savior has just left town
Gonna need a miracle 'cause your heart's on the line
And your heartbeat is slowing down (heartbeat slowing)
Your feet are grounded still, you're reaching for the sky
You can let 'em clip your wings
'Cause you believe that you can fly

Solo: Ab Eb Ab
Well my eyes have seen the horror of the coming of the flood
I've driven deep the thorny crown into the soul of someone's son
Still I'll look you in the eye cause I've believed in things I've
thought and I'll die without regret for the wars I have fought

Chorus:
Gonna take a miracle to save us this time
And your savior has just left town
Gonna need a miracle 'cause your heart's doing time
And your conscience is calling you out (conscience calling)
It ain't all for nothing, life ain't written in the sand
I know the tide is coming
But it's time we made a stand
With a miracle
Gonna take a miracle
I need a miracle
I need a miracle
I need a miracle
I need a miracle
I miracle
Miracle...
