

# Bon Jovi - Never Say Die

Tom: **D**

Never Say Die  
Intro:

**A** pm  
As we stood there older than men  
**D** pm  
And younger than the boys (that's right)  
**A** pm  
We were as still as the wind  
**D** pm  
That blows on a hot August night

**A**  
And you were lonesome  
As a jukebox  
**D**  
But deadly just the same  
**A**  
I could be as gentle as a newborn  
**D**  
Then spit into the eye of a hurricane

**Bm**  
And we knew how to laugh  
**D**  
And we knew how to cry  
**Bm**  
Yeah, we sure knew how to live  
**D**  
But we don't ever  
Intro: Never say die  
Never say die

**A**  
I guess you'd say we had a pact  
**D** **D**  
These words we knew so well (that's right)  
**A**  
Still they remained unspoken  
**D**  
And we'd take them to the fiery  
Gates of hell

**Bm**  
Once I was afraid of love  
**D**  
But when it's your brother  
Those things change  
**Bm**  
'Cause love is just another word  
For trust  
**D**  
So hear me when I say

**A**  
Never say die  
**D**  
Never say no  
**A**

You got to look them in the eye  
**D**  
And don't let go  
**A**  
When it's your own blood you'll bleed  
**D**  
And your own tears you'll cry  
**A**  
When you're brought up to believe  
**D**  
That it's the strong who survive  
Intro: Never say die

Solo: igual à base da intro

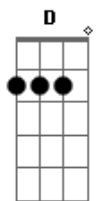

**Bm**  
Yeah, and we could run like lightning  
**D**  
Through the pouring rain  
**Bm**  
And we'll be standing like a soldier  
**D**  
Who comes marching home again

**A** **Bm** **D** 2x  
**A** pm  
They ask what it is that I want written  
**D** pm  
On the gravestone where I'll lie  
**A** pm  
Tell them it's just my bones  
That died there  
**D** pm  
So save the tears they'll cry

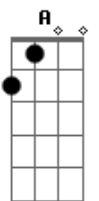

**Bm**  
My spirit is still riding  
**D**  
Somewhere in this night  
**Bm**  
When it's these three words that come to me  
**D**  
As I kiss this world goodbye

**A**  
Never say die  
**D**  
Never say no  
**A**  
You got to look them in the eye  
**D**  
And don't let go  
**Bm**  
When it's your own blood you'll bleed  
**D**  
And your own tears you'll cry  
**Bm**  
When you're brought up to believe  
**D**  
That it's the strong who survive  
Intro: Never say die  
Never say die (faz o fade)
