[Verse 1]
 This isn't how the story ends, my friend,
 It's just a fork along the road
 Don't say your prayers, save your amens,
 You've come this far, but you're still far from home
 Don't say goodbye, just say farewell
 Write every line you'll live to tell
 Hold your head high like Harry give 'em hell
 As the night ignites the day
 Make some memories along the way

[Chorus]
 Write your song, sing along, love your life
 Learn to laugh, dare to dance, touch the sky
 Take pictures each step of the way
 Make this the best of the rest of your days
 Start your revolution
 And I'll see you at the reunion

[Verse 2]
 Some friends will go and some will stay,
 Okay, some last a chapter, some a page
 For some love comes disguised as lust
 But you'll find love when you find trust one day

Do better than our parents did
 Imperfect husband, wife and kids
 Go chart your course then turn it upside down
 Go live your life eyes open wide
 Who's to say what's wrong or right
 Right?

[Chorus]
 Write your song, sing along, love your life
 Learn to laugh, dare to dance, touch the sky
 Take pictures each step of the way
 Make this the best of the rest of your days
 Start your revolution
 And I'll see you at the reunion
 Oh-oh
 As the night ignites the day
 Go make some memories along the way
 Write your song, sing along, love your life
 Yeah, learn to laugh, dare to dance, touch the sky
 Take pictures each step of the way
 Make this the best of the rest of your days
 I say, go start your own revolution
 And I'll see you at the reunion
 I'll see you at the reunion
 Oh, I'll see you at the reunion

[Outro]
 This isn't how the story ends, my friend,
 It's just a fork along the road
