

# Bon Jovi - Thief of Hearts

Tom: D  
Intro: 2x

-----  
 You can lock up all the doors  
 Pull up the covers Turn out the lights  
 I'll know where you are  
 It's alright  
 You can go ahead and hide  
 You know you can't keep me out  
 I'll find my way I'm here to stay  
 Even the cops can't save you now

Hey baby Theres nothing you can do  
 Hey baby It isn't up to you

<>  
 I am the thief of hearts  
 Don't hide or try to run  
 I'll play the part. I'm the thief of hearts  
 I've come to steal your love

-----  
 I am the thief of hearts

You can hold on to your heart  
 You ain't gonna win  
 Go ahead and draw the blinds  
 I'm still coming in

Hey baby I'm gonna wear you down  
 hey baby Better listen to me now

<>  
 I'm the thief of hearts  
 The shadow on your wall  
 A whisper in your ear  
 A footstep in the hall  
 I'm the thief of hearts  
 Don't hide or try to run  
 I'll play the part, I'm the thief of hearts  
 I'm gonna steal your love

-----  
 I am the thief of hearts

Hey baby Theres nothing you can do  
 Hey, baby You know there ain't no use

I am the thief of hearts  
 Guilty of the charge  
 You can throw away the keys  
 And double up the bars  
 I am the thief of hearts  
 Don't hide or try to run  
 I'll play the part, I'm the thief of hearts  
 I'm gonna steal your love

-----  
 I am the thief of hearts

I am the thief of hearts

I am the thief of hearts.....
