[Primeira Parte]

D Should've seen it coming

C Should've seen the end

G Of summer in your eyes

Gm Should've listened when

D You said goodnight

A You really meant goodbye

D Baby ain't it funny

A How we never ever learn to fall

C You're really on your knees

G Think you're standing tall

Gm But only fools are know-it-alls

A And I've played fool for you

[Pré-Refrão 1]

G I cried and cried every night

A Till I died for you baby

G I tried and I tried to deny it

A Your love drove me crazy baby

[Refrão 1]

D If the love that I've got for you is gone

Bm And if the river I've cried ain't that long

D Then I'm wrong. Yeah, I'm wrong

G This ain't a love song

[Segunda Parte]

D Baby I thought you and me would

A Stand the test of time

C Like we got away with the perfect crime

Gm But we were just a legend in my mind

A I guess that I was blind

D Remember those nights dancing

A At the masquerade

C The clowns wore smiles

That wouldn't fade

Gm But you and I were the renegades

A And some things never change

A It band for us baby

G And now it's so sad that whatever we had

A Ain't worth saying oh oh oh
