Intro: E

[Primeira Parte]

I was born to be of service
 Camp lejeune just felt like home
 I had honor I found purpose
 Sir yes sir that's what I know
 They sent us to a place
 I never heard of weeks before
 When your nineteen it ain't hard to sleep
 In the desert on gods floor
 Close your eyes stop counting sheep
 You ain't in boot camp any more
 [Riff] E A

[Segunda Parte]

We were taught to shoot our rifles
 Men and women side by side
 Thought we'd be met as liberators
 In a thousand year old fight
 I got this painful ringing in my ear
 From an ied last night
 But no lead lined humvee war machine
 Could save my sergeants life
 3 more soldiers 6 civilians
 Need these words to come out right

[Refrão]

God of mercy, god of light
 Save your children from this life
 Hear these words
 This humble plea
 For I have seen the suffering
 And with this prayer I'm hoping
 That we can be unbroken
 [Riff] E A

[Terceira Parte]

E

It's 18 months now i've been stateside
 With this medal on my chest
 But there are things I can't remember
 And there are things I won't forget
 I lie awake at night
 With dreams the devil shouldn't see
 I want to scream but I can't breathe
 And christ I'm sweating through these sheets
 Where's my brothers
 Where's my country
 Where's my how things used to be
 [Refrão]

God of mercy, god of light
 Save your children from this life
 Hear these words
 This humble plea
 For I have seen the suffering
 And with this prayer I'm hoping
 That we can be unbroken

[Ponte]

My service dogs done more for me
 Than the medication would
 There ain't no angel that's coming to save me
 But even if they could

[Quarta Parte]

Today 22 will die from suicide
 Just like yesterday they're gone
 I live my life for each tomorrow
 So their memories will live on

Once we were boys and we were strangers
 Now we're brothers and we're men
 Someday you'll ask me was it worth it
 To be of service in the end
 Well the blessing and the curse is yeah
 I'd do it all again
