

Bon Jovi - Welcome To Wherever You Are

Tom: E

(Intro) (Correções Intro e Cifra - Vitor Otaka)
E A E A

(Verse)

E
Maybe we're all different

A
But we're still the same

Dbm A
We all got the blood of Eden running to our veins

E A
I know sometimes it's hard for you to see

Dbm A
You caught between just who you are and who you want to be

(bridge)

B A
If you feel alone and lost and need a friend

B A
Remember every new beginning is some beginning's end

(Chorus)

E B
Welcome to wherever you are

Dbm A
This is your life, you made it this far

E B
Welcome, you got to believe

Dbm A
That right here right now you're exactly where you're supposed to be

B E (E E E) -> Intro
Welcome to wherever you are

(Verse)

E A
When everybody's in and you're left out

Dbm A
And you feel drowning in a shadow of the dawn

E A
Everyone's a miracle in their own way

Dbm A
Just listen to yourself not what other people say

(Bridge)

B A
When it seems you're lost alone and feeling down

B A
Remember everybody's different, just take a look around

(Chorus)

E B
Welcome to wherever you are

Dbm A
This is your life, you made it this far

E B
Welcome, you got to believe

Dbm A
That right here right now you're exactly where you're supposed to be

Dbm A
Be who you want to be, be who you are

E F#m~ (Deixe soar) -> Intro
Everyone's a hero, everyone's a star

(Bridge -> Intro)

When you want to give up and your heart's about to break
Remember that you're perfect, God's make no mistakes

(Chorus)

E B
Welcome to wherever you are

Dbm A
This is your life, you made it this far

E B
Welcome, you got to believe

Dbm A
That right here right now you're exactly where you're supposed to be

E E
Welcome to wherever you are

Dbm A
This is your life, you made it this far

E E
(I say welcome) Welcome to wherever you are

Dbm A
This is your life, you made it this far (Welcome)
