

# Boogie - Skydive II (ft. 6LACK)

tom:

Intro: **A7M** **E7M** **G**

[Primeira Parte]

You called to see if I was home then **A7M**  
 Sleeping in, get boring, uh **E7M**  
 Our landlord tripping off my speakers 'cause they're low end **A7M**  
 You pull up with no warning, uh **E7M**  
 This the season for us growing **A7M**  
 Let's go deep in the unknown then, uh **E7M**  
 But by evening we'll be mourning **A7M**  
 You leave me with no warning, uh **E7M** **Gb**  
 Look at you lettin' the cold in **A7M**  
 No, I ain't movin', I'm frozen, uh **E7M**  
 No, I ain't bitter, I'm broken, uh **A7M**  
 At least you could give me a warning **E7M**  
 Yeah, yeah, okay **Gb**

[Refrão]

Mother of my skies, why you always gotta intervene? (Uh) **A7M** **E7M**  
 Father of my time, don't you got some more to give to me? (Uh) **A7M** **E7M** **Gb**  
 Anything, anything **A7M**  
 Mother of my skies, why you always gotta intervene? (Uh) **A7M** **E7M**  
 Father of my time, don't you got some more to give to me? **A7M** **E7M**

[Segunda Parte]

You clouded my judgment, uh **A7M**  
 Surround me with flooding

You talk when I talk just to drown out discussions, uh **E7M**  
 She like "How we gon' fuck" **A7M**  
 When your friends in the living room all on the game, uh?" **A7M**  
 Say what you want, shit **E7M**  
 Don't nothin' get easy 'bout that walk of shame **A7M**  
 Talkin' bout stayin' in **E7M**  
 I blame you for being petty and **A7M**  
 Tellin' me pull up when you ain't ready and **E7M**  
 All the dates that you didn't bed me **A7M**  
 But we don't go 'cause **E7M**  
 The going out get weird and **A7M**  
 Come to the understanding **E7M**  
 We can't overcome them fears, with **E7M**  
 Without them to start clear (haha)

[Terceira Parte]

Blocking my view, don't you see me tryna watch the game? **A7M**  
 Don't be wasting time askin' how to say my name **E7M**  
 Another 24 gone, wishin' I had 25 **A7M**  
 Spent 24 thinkin' 'bout her down 69 **E7M**  
 I spent three-six-five **A7M**  
 With the biggest star in the sky **E7M**  
 That me, myself, and I **A7M**  
 But how will I know if I fell in love? **E7M**  
 You're making it cold **A7M**  
 Could've sent me a text alert **E7M**  
 Could've lit off one of them little red flares, smoke in the air **E7M**  
 Somebody somewhere noticed the color **A7M**  
 Heart starts to stutter, flutter **E7M**  
 Mother, sky, I'm listening to Young Gunna

## Acordes
