

# Borns - American Money

Tom: D

I was there when you fell from the clouds  
 And landed in the desert

There was a thunder inside of my heart  
 There was a wonderful pleasure

And like a stallion raicing in the rain  
 You rode on the back of my bike  
 I knew from the song that you sang  
 You were my lover for life

Oh, there's no time to sleep  
 Oh, living in a dream

So take me to the Paradise  
 In your eyes  
 Green like american Money  
 You taste just right  
 Sweet like tennessee honey

And we can run away  
 Swimming in the sunlight everyday  
 Oh, Paradise in your eyes  
 Green like american Money

So we took to the calico road  
 Running from the weather  
 There was a highway inside of her eyes  
 There was a buried treasure

And we got caught in the storm

You started flying the kite  
 At the end was the key to my heart  
 You were my lover for life

Oh, there's no time to sleep  
 Oh, living in a dream

So take me to the Paradise  
 In your eyes  
 Green like american Money  
 You taste just right  
 Sweet like tennessee honey

And we can run away  
 Swimming in the sunlight everyday  
 Oh, Paradise in your eyes  
 Green like american Money

We carved our love in the mountainside  
 We soaked our hearts in the rain  
 And I\_\_\_\_, waited my whole life, for you

So take me to the Paradise  
 In your eyes  
 Green like american Money  
 You taste just right  
 Sweet like tennessee honey

And we can run away  
 Swimming in the sunlight everyday  
 Oh, Paradise in your eyes  
 Green like american Money
