

# Borns - Past Lives

Tom: E

<sup>E</sup>  
Past lives couldn't ever hold me down <sup>B</sup>  
<sup>Cm</sup>  
Lost love is sweeter when it's finally found <sup>A</sup>  
<sup>B</sup>  
I've got the strangest feeling  
<sup>A</sup> <sup>B</sup>  
This isn't our first time around

<sup>E</sup>  
Past lives couldn't ever come between us  
<sup>B</sup> <sup>Cm</sup>  
Some time the dreamers finally wake up  
<sup>Dbm</sup> <sup>B</sup>  
Don't wake me I'm not dreaming  
<sup>Dbm</sup> <sup>B</sup>  
Don't wake me I'm not dreaming

( E B E )

<sup>E</sup>  
All my past lives they got nothing on me  
  
Golden eagle you're the one and only  
<sup>A</sup>  
Flying high through the cities and the sky  
<sup>E</sup>  
I take you way back, cover centuries  
  
Don't you remember, that you were meant to be my Queen of Hearts <sup>A</sup>

Meant to be my love

<sup>Dbm</sup> <sup>B</sup>  
Through all of my lives  
<sup>E</sup> <sup>A</sup>  
I never thought I'd wait so long for you  
<sup>Dbm</sup> <sup>B</sup>  
The timing is right, the stars are aligned

<sup>E</sup>  
So save that hope for me  
<sup>A</sup>  
Cause girl you know that you're my destiny  
<sup>Dbm</sup>  
Swear to the moon, the stars, the sons, and the daughters  
<sup>A</sup>  
Our love is deeper than the oceans of water

<sup>E</sup>  
Hey I need you now

I've waited oh so long yeah

Baby love, I need you now  
<sup>B</sup>  
I've waited oh so long

<sup>E</sup>  
Passing seasons, empty bottles of wine  
  
My ancient kingdom, came crashing down without you baby child <sup>A</sup>  
  
I'm lost without your love

<sup>E</sup>  
Diamond sparrow, my moonlit majesty  
You know I need you, come flying back to me
