

# Bossa do Samba - Sou de Arerê

Tom: G

Início: (Refrão só com percussão)

Chegou na roda de samba assanhada

Jurando meter a porrada  
em quem olhasse pra mim

E eu sabendo da nega arretada

amenizei a mulherada  
pro samba não chegar ao fim

Parece mentira compadre

Contado ninguém acredita

Quando a nega se arranha

o nariz arrebita

Empina a bunda pro lado

Mexe de mãos nos quadris

Roda a baiana inteirinha

Sacode os ombros e diz

Sou de arerê

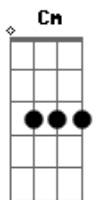

Boto pra quebrar

Homem meu nenhuma piranha

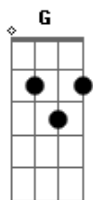

Vai se debochar

Final: C - C - G - Em7 - A - Cm - G
