

Boy Kiss Girl - Bring It On Home

tom:

Intro: Bm A G

You got the sun in your eyes

You got the wind in your hair

But I think you're hurting inside, inside

You should be walking on air, baby

[Refrão]

It's about time that you give it up on you

'Cause switch up the world don't works

Don't let this town get you down

It's about time that you give it up on you

'Cause switch up the world don't works

The time is now, ye-yeah

When your body's running low, running low, low

Baby, bring it on home, bring it on home, bring it on home

When your body's running low, running low, low

Baby, bring it on home, bring it on home, bring it on home

Oh-oh, oh-oh-oh

Oh-oh, oh-oh-oh

You got the oceans to sail

You got the sands to explore

But you say you're destined to fail

I know you're destined for more, ye-yeah

[Refrão]

It's about time that you give it up on you

'Cause switch up the world don't works

Don't let this town get you down

It's about time that you give it up on you

'Cause switch up the world don't works

The time is now, ye-yeah

When your body's running low, running low, low

Baby, bring it on home, bring it on home, bring it on home

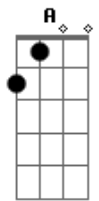

When your body's running low, running low, low

Baby, bring it on home, bring it on home, bring it on home

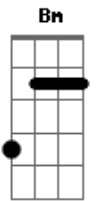

Oh-oh, oh-oh-oh, oh-oh (bring it on home)

Oh-oh, oh-oh-oh, oh-oh (bring it on home)
