

Boyce Avenue - Man In The Mirror

tom:

G

I'm gonna make a change

For once in my life

It's gonna feel real good

Gonna make a difference

Gonna make it right

As I, turn up the collar on

My favorite winter coat

This wind is blowing my mind

I see the kids in the streets

With not enough to eat

Who am I to be blind?

Pretending not to see their needs

A summer disregard

A broken bottle top

And a one man soul

They follow each other on the wind ya' know

'Cause they got nowhere to go

That's why I want you to know

I'm starting with the man in the mirror

I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place

Take a look at yourself, and then make a change

(Na na na, na na na, na na, na nah)

I've been a victim of a selfish kind of love

It's time that I realize

That there are some with no home, not a nickel to loan

Could it be really me

Pretending that they're not alone?

A willow deeply scarred, somebody's broken heart

And a washed-out dream

They follow the pattern of the wind ya' see

'Cause they got no place to be

That's why I'm starting with me

(refrão 2x)

I'm starting with the man in the mirror

I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place

Take a look at yourself, and then make a change

Take a look at yourself, and then make a change
