 Sometimes when I feel low **F**

 Within the mystery of a life choose to lead **Eb**

 We gotta get up, we gotta get up now **F**
 The ride is always worth the rush **Gm**
 We can't give, we can't give up now **Eb**
 Our love will always be enough **Bb**

The tides will rise and fall **F**
 Some days you will feel small **Gm**
 But ride the wave **Eb**
 I'll ride it in with you **Bb**
 If we should wash ashore **F**
 I'll fight for you once more **Gm**
 Just ride the wave **Eb**
 I'll ride it in with you **Bb**

Eb I'll ride it in with you **Bb**
 I'll ride the wave with you

Bb **F**
 With our feet in the sand **Gm**
 And my heart in your hands **Eb**
 I cannot comprehend **Bb**

 Some days you will feel small **Gm**
 But ride the wave **Eb**
 I'll ride it in with you **Bb**
 If we should wash ashore **F**
 I'll fight for you once more **Gm**
 Just ride the wave **Eb**
 I'll ride it in with you **Bb**
