

# Boyce Avenue - Use Somebody

Tom: C

I've been roaming around  
 Always looking down at all I see  
 Painted faces, build the places I can't reach

You know that I could use somebody  
 You know that I could use somebody

Someone like you, and all you know, and how you speak  
 Countless lovers under cover of the street

You know that I could use somebody  
 You know that I could use somebody  
 Someone like you  
 Someone like you

Off in the night, while you live it up, I'm off to sleep  
 Waging wars to shake the poet and the beat

I hope it's gonna make you notice  
 I hope it's gonna make you notice

Someone like me  
 Someone like me  
 Someone like me, somebody  
 I'm ready now  
 I'm ready now  
 I'm ready now  
 I'm ready now

I've been roaming around  
 Always looking down at all I see  
 Painted faces, build the places I can't reach

You know that I could use somebody  
 You know that I could use somebody
