

# Boygenius - Letter To An Old Poet

tom:  
Intro: F A  
[Primeira Parte]  
I said I think you're special  
You told me once that I'm selfish  
And I kissed you hard  
In the dark, in the closet  
You said my music is mellow  
Maybe I'm just exhausted  
You think you're a good person  
Because you won't punch me in the stomach

[Pré-Refrão]

And I love you  
I don't know why  
I just do, oh, but

[Refrão]

You're not special, you're evil

You don't get to tell me to calm down  
You made me feel like an equal  
But I'm better than you  
And you should know that by now  
When you fell down the stairs  
It looked like it hurt and I wasn't sorry  
I should have left you right there  
With your hostages, my heart and my car keys  
You don't know me

[Ponte]

I wanna be happy  
I'm ready to walk into my room without lookin' for you  
I'll go up to the top of our building  
And remember my dog when I see the full moon

[Final]

I can't feel it yet  
But I am waiting
