

Boys Like Girls - Great Escape Acoustic

Tom: C

Verse 1:

C G
Paper bags and plastic hearts,
Am F
All our belongings in shopping carts,
C G
It's goodbye,
Am F
But we got one more night.
C G
Let's get drunk and ride around,
Am F
And make peace with an empty town.
F
We can make it right.

Chorus:

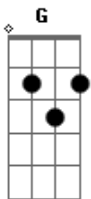

C G
Throw it away, forget yesterday,
Am F
We'll make the great escape.
C G
We won't hear a word they say,
Am F
They don't know us anyway.
F Am
Watch it burn, let it die,
F G
'Cause we are finally free tonight.

Verse 2:

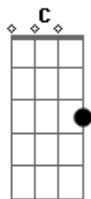

C G
Tonight will change our lives.
Am
It's so good to be by your side,
F
But we'll cry.
Am
We won't give up the fight.
C G
We'll scream loud at the top of our lungs,
Am F
And they'll think it's just cause we're young,
F
And we'll feel so alive.
