

# Boys Like Girls - Hero/heroine

Tom: A

**Bm**  
It's too late baby, there's no turning around  
**Gb**  
I've got my hands in my pocket and my head in a cloud  
**Ab**  
This is how I do  
**E**  
When I think about you  
**Bm**  
I never thought that you could break me apart  
**Gb**  
I keep a sinister smile in a hole in my heart  
**Ab**  
You want to get inside  
**E**  
Then you need to get in line  
**Gb Ab**  
But not this time  
  
**E Gb Ab**  
Cause you caught me off guard  
**E**  
Now I'm running and screaming  
  
**Bm Gb Ab E**  
I feel like a hero and you are my heroine  
  
**Bm**  
I won't try to philosophize  
**Gb**  
I'll just take a deep breath and I'll look in your eyes  
**Ab**  
This is how I feel  
**E**  
And its so so real  
**Bm**  
I got a closet filled up to the brim  
**Gb**  
With the ghosts of my past and the skeletons  
**Ab**  
And I don't know why  
**E**  
You'd even try  
  
**Gb Ab**  
But I won't lie

**E Gb Ab**  
You caught me off guard  
**E**  
Now I'm running and screaming  
  
**Bm Gb Ab E**  
I feel like a hero and you are my heroine  
  
**Bm Gb Ab E**  
Do you know that your love is the sweetest sin?  
  
**Bm**  
And I feel a weakness coming on  
**Gb**  
Never felt so good to be so wrong  
**Ab**  
Had my heart all locked down  
**E**  
And then you turned me around  
**Bm**  
I'm feeling like a new born child  
**Gb**  
Every time I get a chance to see you smile  
**Ab**  
It's not complicated  
**E**  
I was so jaded  
  
**Gb Ab**  
And you caught me off guard  
**E**  
Now I'm running and screaming  
  
I feel like a hero and you are my heroine  
Do you know that your love is the sweetest sin?  
  
And I feel a weakness coming on  
Never felt so good to be so wrong  
Had my heart all locked down  
And then you turned me around  
I'm feeling like a new born child  
Every time I get a chance to see you smile  
It's not complicated  
  
I was so jaded  
  
Gente espero q les guste... Un saludo a mi flia y amigos!
