

# Boys Like Girls - O Amor Gosta Dela

Tom: C

C  
I remember what you wore on the first day  
Am  
You came into my life and I thought  
F G C  
"Hey, you know, this could be something"  
C  
'Cause everything you do and words you say  
Am  
You know that it all takes my breath away  
F G C  
And now I'm left with nothing

F  
'So maybe it's true  
G  
That I can't live without you  
F G  
Maybe two is better than one  
F  
There's so much time  
G  
To figure out the rest of my life  
Am G F  
And you thought that it got me coming undone  
Am G C  
And I'm thinking two is better than one

C  
I remember every look upon your face  
Am  
The way you roll your eyes  
F  
The way you taste  
G C  
You make it hard for breathing  
C  
'Cause when I close my eyes and drift away  
Am  
I think of you and everything's okay  
F G C  
I'm finally now believing

F  
And maybe it's true  
G  
That I can't live without you  
F G

Maybe two is better than one  
F  
There's so much time  
G  
To figure out the rest of my life  
Am G F  
And you thought that it got me coming undone  
( Am G F G )

G  
And I'm thinking two is better than one  
  
(parte violino)  
C  
I remember what you wore on the first day  
Am  
You came into my life and I thought, "Hey,"

F  
Maybe it's true  
G  
That I can't live without you  
F G  
Maybe two is better than one  
F  
There's so much time  
G  
To figure out the rest of my life  
Am G F  
And you thought that it got me coming undone  
F  
And I'm thinking

I can't live without you  
G  
'Cause, baby, two is better than one  
F  
There's so much time  
G  
To figure out the rest of my life  
Am  
But I'll figure it out  
G F  
When it's all said and done  
Am G C  
Two is better than one  
Am G C  
Two is better than one
