

# Boys Like Girls - Someone Like You

Tom: F

(Intro) F Bb

I'm wearing thin

I couldn't tell you the city I'm in  
The streets and the buildings

And places I've been

Or when the stars go when it's daylight again  
Or where the time went

Oh, who can save me now?

My life in the rearview

I'm runnin' from Jesus  
Don't know where I'm going to

I got nothin' to lose

I'm fightin' my demons  
Been lookin' for someone like you

I've been lookin' for someone like you

So sing me a song I know all the words to

And I'll sing along  
Could you be my savior?

I've been out here too long

And I've just been lookin' for somewhere to belong  
Barely holdin' on

So can you save me now?  
(Chorus)

When the stars explode

And I'm all alone

When they start to see the smoke

When I finally burn out

I'll need someone to carry me home  
Safe and sound  
(Chorus x2)
