We won't hear a word they say  
E B  
They don't know us anyway  
Gbm Abm  
Watch it burn, let it die  
A B  
Cause we are finally free tonight

E E  
E E  
Tonight will change our lives

But we'll cry

We'll scream loud at the top of our lungs

And they'll think it's just cause were young  
A  
And we'll feel so alive

(refrão)  
Dbm7 A  
Throw it away, forget yesterday
