

BoyWithUke - Babydoll

tom:
Capostrate na 5ª casa
Intro: F G C Am

Ooh
You got them purple socks
With the Llamas

On them
Must've missed your call
And the drama all up
In between the walls
Of Nirvana, wanna
Make it all my fault?
Make a scene?

[Pré-Refrão]

Babydoll
Watch me fall
Oh, we could've had it all
Take me down
Watch me drown
Clean the writing on the wall
Let the rain
Hit my face
I've been calling out your name

Pull the trigger
Run away
Run away
Run away

[Refrão]

No, I don't think we should hang out
I get confused when you're around
It's crazy as hell to say, I know
But I think it's time to let you go

[Ponte]

Ooh Ooh Oh-oh-oh-oh
Ooh Oh
I think it's time to let you go
I think it's time to let you go

Acordes

Baby, you're making the day go
By so slow, I may be mistaken
Waiting for moves to be made despite
These woes I need to be patient
Lately I seem to be late for
Everything I wish I could fake it

You say I'm hard to be there for
But your heart was always so vacant

No, I don't think we should hang out
I get confused when you're around
It's crazy as hell to say, I know
But I think it's time to let you go
If only I met you in my dreams
If only I were still asleep
You showed up at 10, I left at 9
'Cause you're the right one at the wrong time

Ooh Oh
I think it's time to let you go
I think it's time to let you go
