

# BoyWithUke - Babydoll

tom:  
 Capotraste na 5ª casa  
 Intro: F G C Am

Ooh  
 You got them purple socks  
 With the Llamas

On them  
 Must've missed your call  
 And the drama all up  
 In between the walls  
 Of Nirvana, wanna  
 Make it all my fault?  
 Make a scene?

[Pré-Refrão]

Babydoll  
 Watch me fall  
 Oh, we could've had it all  
 Take me down  
 Watch me drown  
 Clean the writing on the wall  
 Let the rain  
 Hit my face  
 I've been calling out your name

Pull the trigger  
 Run away  
 Run away  
 Run away

[Refrão]

No, I don't think we should hang out  
 I get confused when you're around  
 It's crazy as hell to say, I know  
 But I think it's time to let you go

[Ponte]

Ooh Ooh Oh-oh-oh-oh  
 Ooh Oh  
 I think it's time to let you go  
 I think it's time to let you go

Baby, you're making the day go  
 By so slow, I may be mistaken  
 Waiting for moves to be made despite  
 These woes I need to be patient  
 Lately I seem to be late for  
 Everything I wish I could fake it

You say I'm hard to be there for  
 But your heart was always so vacant

 It's crazy as hell to say, I know  
 But I think it's time to let you go  
 If only I met you in my dreams  
 If only I were still asleep  
 You showed up at 10, I left at 9  
 'Cause you're the right one at the wrong time
