

BoyWithUke - Babydoll

tom:
 Capotraste na 5ª casa
 Intro: F G C Am

Ooh
 You got them purple socks
 With the Llamas

On them
 Must've missed your call
 And the drama all up
 In between the walls
 Of Nirvana, wanna
 Make it all my fault?
 Make a scene?

[Pré-Refrão]

Babydoll
 Watch me fall
 Oh, we could've had it all
 Take me down
 Watch me drown
 Clean the writing on the wall
 Let the rain
 Hit my face
 I've been calling out your name

Pull the trigger
 Run away
 Run away
 Run away

[Refrão]

No, I don't think we should hang out
 I get confused when you're around
 It's crazy as hell to say, I know
 But I think it's time to let you go

[Ponte]

Ooh Ooh Oh-oh-oh-oh
 Ooh Oh
 I think it's time to let you go
 I think it's time to let you go

Baby, you're making the day go
 By so slow, I may be mistaken
 Waiting for moves to be made despite
 These woes I need to be patient
 Lately I seem to be late for
 Everything I wish I could fake it

You say I'm hard to be there for
 But your heart was always so vacant

No, I don't think we should hang out
 I get confused when you're around
 It's crazy as hell to say, I know
 But I think it's time to let you go
 If only I met you in my dreams
 If only I were still asleep
 You showed up at 10, I left at 9
 'Cause you're the right one at the wrong time

 Ooh Oh
 I think it's time to let you go
 I think it's time to let you go
