 You're poison to my thoughts, but

 You look amazing in your gown  
 D G Em  
 I'm feeling great, I'm feeling down  
 [Primeira Parte]

C7M Bm  
 Wishing I could see how you could end up in my arms  
 G Bm  
 I know that you're not perfect for me, but you've caught my heart  
 C7M Bm  
 I'll sail the seas, sing the ABC's in the war to win you over

 I swear you had me right from the start  
 [Segunda Parte]

C7M Bm  
 Let's build a fort out of pillows while we look at the stars  
 G Bm  
 I'll bring a portable charger and we'll dance in the dark  
 C7M Bm  
 Am I insane for thinking forward to a time so far?  
 G Bm  
 It makes me feel so tired, it makes me rhyme so hard  
 [Refrão]

C7M Bm  
 I see your lovely eyes  
 G Bm C7M  
 They're hazel colored, cloudy like the sky  
 D G  
 My, oh, my  
 Em C7M  
 I think I might die  
 Bm  
 I see through tired eyes  
 G Bm  
 Your laugh makes me feel baffled

 I'm your guy  
 D G Em  
 But I don't mind, woa-oa-oa-oh  
 [Refrão]
