

BoyWithUke - Homesick

tom:

D

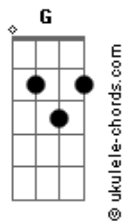

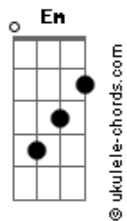

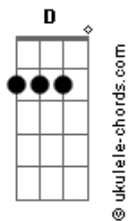

It feels like a year ago **D**
 The last time I saw you **Em**
 I think that you weren't at home **G**
 The last time I called you **G**
 I hope that you think of me **D**
 Baby, I'm homesick **D**

And I'd call you again **Em**
 But I swear I've been busy **Em**
 I'm losing my friends **G**
 They won't say that they miss me **G**
 I'll sleep when I'm dead **D**
 Until then I'm just homesick **D**
 (Baby, I'm homesick)

I'm trying my hardest **Em**
 Even then you know that I might not be free **Em**
 (Baby, I'm homesick) **G**
 I've got responsibilities **D**
 But, baby, I'm homesick **D**
 (Baby, I'm homesick)

And I'd call you again **D**

Acordes

But I swear I've been busy **Em**
 I'm losing my friends **G**
 They won't say that they miss me **G**
 I'll sleep when I'm dead **D**
 Until then I'm just homesick **D**
 (Baby, I'm homesick)

And I saw your last text **D**
 I hop? that you weren't wasted **Em**
 I like to pretend that we're back in your basement **G**
 We'll lie on your twin-size bed **D**
 I'm just homesick **D**
 (Baby, I'm homesick)

So take me home (ooh-ooh, ooh-ooh) **D**
 Baby, I'm homesick (ooh-ooh, ooh-ooh) **Em**
 Baby, I'm homesick (ooh-ooh, ooh-ooh) **G**
 Baby, I'm homesick (ooh-ooh, ooh-ooh) **G**
 Baby, I'm homesick (ooh-ooh, ooh-ooh) **D**
 Baby, I'm homesick (ooh-ooh, ooh-ooh) **D**

And I'll see you again **D**
 Even if it is the last thing that I do **Em**
 I know we'll make it through **G**
 But I'm homesick **D**
