

# BoyWithUke - Homesick

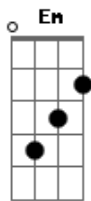

tom:  
 D  
 It feels like a year ago  
 The last time I saw you  
 I think that you weren't at home  
 The last time I called you  
 I hope that you think of me  
 Baby, I'm homesick  
 D  
 And I'd call you again  
 But I swear I've been busy  
 I'm losing my friends  
 They won't say that they miss me  
 I'll sleep when I'm dead  
 Until then I'm just homesick  
 (Baby, I'm homesick)  
 D  
 I'm trying my hardest  
 Even then you know that I might not be free  
 (Baby, I'm homesick)  
 I've got responsibilities  
 But, baby, I'm homesick  
 (Baby, I'm homesick)  
 D  
 And I'd call you again

Em  
 But I swear I've been busy  
 I'm losing my friends  
 They won't say that they miss me  
 I'll sleep when I'm dead  
 Until then I'm just homesick  
 (Baby, I'm homesick)  
 D  
 And I saw your last text  
 I hope that you weren't wasted  
 I like to pretend that we're back in your basement  
 We'll lie on your twin-size bed  
 I'm just homesick  
 (Baby, I'm homesick)  
 D  
 So take me home (ooh-ooh, ooh-ooh)  
 Em  
 Baby, I'm homesick (ooh-ooh, ooh-ooh)  
 G  
 Baby, I'm homesick (ooh-ooh, ooh-ooh)  
 G  
 Baby, I'm homesick (ooh-ooh, ooh-ooh)  
 D  
 Baby, I'm homesick (ooh-ooh, ooh-ooh)  
 D  
 And I'll see you again  
 Even if it is the last thing that I do  
 I know we'll make it through  
 But I'm homesick
